<https://luckytogocanada.com/blog/get-started-as-a-driver-today/>

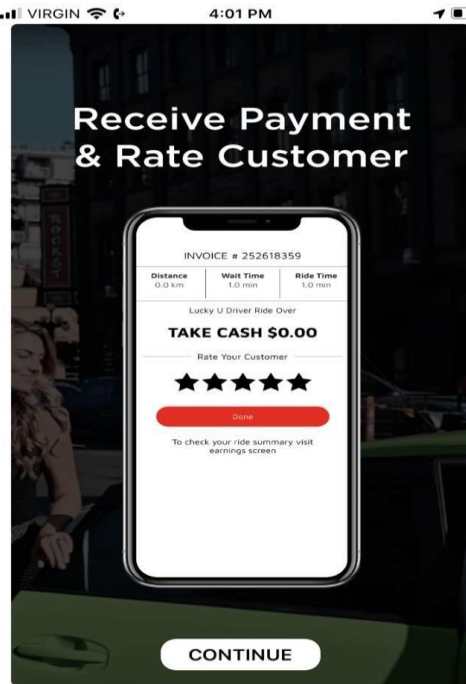

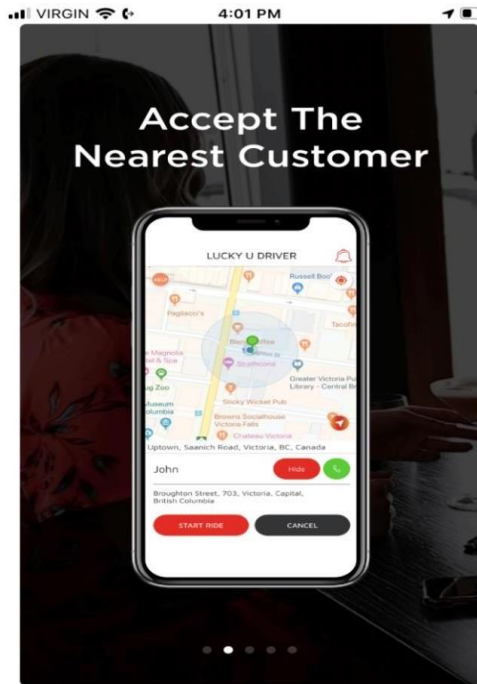

Download LuckyDriver

- Lucky Driver app is available for both iPhone and Android smartphone.
- Visit app store or playstore to download the app.
- Lucky Driver app has a black background to differentiate from Lucky To Go (customer app).

<https://y2li1.app.link/e/500> Code

Complete download

- Once downloaded the app – you will be greeted with screenshots explaining various features of app.
- Swipe to the left – to know more and view different screenshots.
- Click "CONTINUE" on last page.

One Time Password

The screenshot shows the top status bar with 'VIRGIN' carrier, signal strength, Wi-Fi, and battery icons, and the time '4:02 PM'. The app title 'LUCKY DRIVER' is displayed in large, bold, black letters. Below the title is a text input field with a Canadian flag icon, '+1' as a country code, and the placeholder text 'Phone Number'. Underneath the input field is a black button with the white text 'GENERATE OTP'. At the bottom of the screen, there is a checkbox that is checked, followed by the text 'I agree to the [Terms and Conditions](#)'.

- Generate one time password (OTP) by entering your mobile number and click on the checkbox to agree the terms and conditions.
- One can refer to terms and conditions by hitting the hyperlink of Terms and Conditions.
- Use the text received as OTP and complete the initialization of app by clicking on SUBMIT

Ride-Share

Delivery Driver

DONE

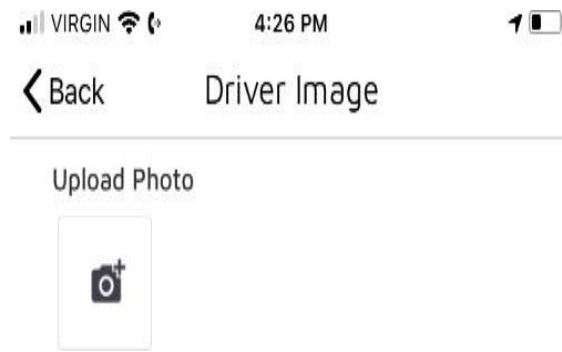

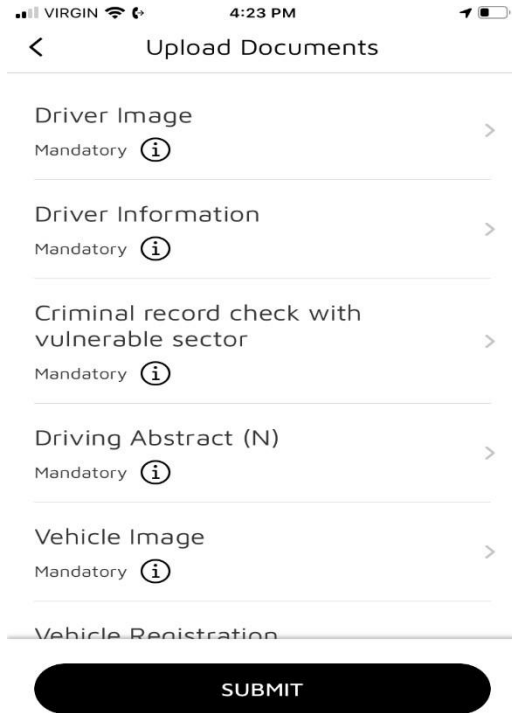

- Enter Driver's information like
 - i. First & Last name
 - ii. Email id (associated with your bank to receive your earnings)
 - iii. Select City (based on your region of operation)
 - iv. For "Select Fleet" - Class 4 driver should select "Ride-Share" & Class 5 driver should select "Delivery Driver".

Selecting Make / Model

The image displays two side-by-side screenshots of a mobile application's 'VEHICLE INFORMATION' screen. The left screenshot shows a user selecting 'Hyundai' for Make, 'Accent' for Model, 'Red' for Color, '2016' for Year, '4' for Number of Doors, and '5' for Number of Seatbelts. The right screenshot shows a user selecting 'Designated' for Make, 'Driver' for Model, 'Red' for Color, '2017' for Year, '2' for Number of Doors, and '4' for Number of Seatbelts. Both screens have a 'CONTINUE' button at the bottom.

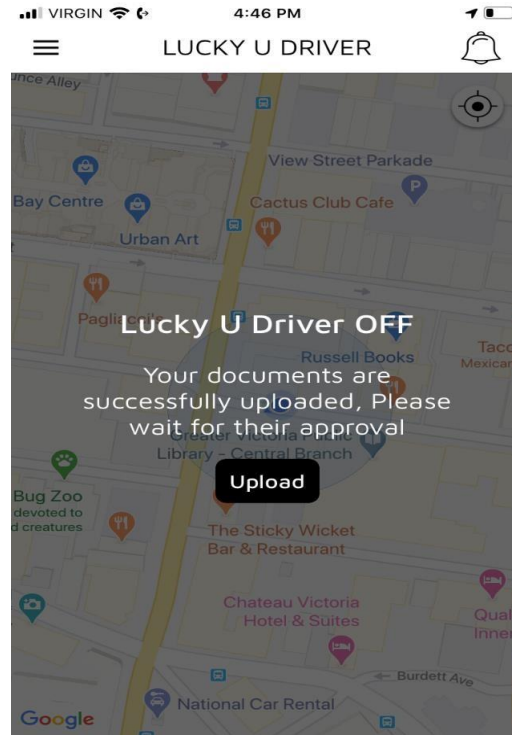

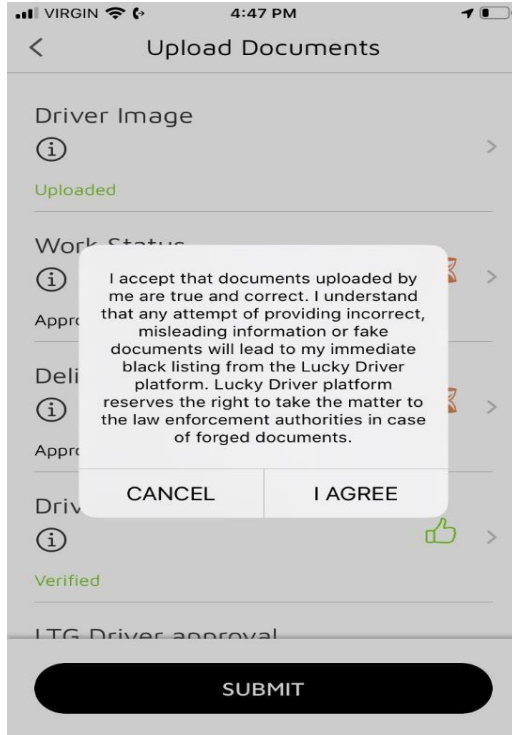

- If you are a CLASS 4 DRIVER select Make / Model / Color / Year (manufacturing year of your vehicle) / Number of doors and seatbelts available in your vehicle.
- If you are a CLASS 5 DRIVER select Make as "Designated" / Model as "Driver" then Color / Year (manufacturing year of your vehicle) / Number of doors and seatbelts available in your vehicle.
